

Seamless Medication Management

Remedi
SeniorCare®

Aventine is partnered with Remedi SeniorCare to safely provide medications

SAFETY AND ACCURACY

- Each resident's medications are pre-organized in a sealed bag, one for every time your loved one receives medication
- Sealed packaging dramatically reduces risk of contamination and pill misidentification
- Medications are pre-organized – no need for family to handle medications
- Medication management integrated into resident's electronic medical chart

ACCEPTED BY MEDICARE AND MOST INSURANCE PLANS

- Co-pays similar to standard pharmacies
- 3-day supply of medications means more cost savings when prescriptions change

CONVENIENCE

- Prescriptions and over-the counter products delivered daily to community with 24/7 support to ensure prescriptions are filled timely with no opportunity for missed dosages

If a resident opts out of using Remedi SeniorCare for prescriptive and over the counter drugs, a monthly charge of **\$350** is applied for administrative management. For residents that opt out, families are responsible for dropping off medications in a timely manner.

**VA pharmacy is exempt from the charge.*
